# 26<sup>TH</sup> ANNUAL CPA SEMINAR

Our Tax, Real Estate and Wealth Preservation Departments have developed another program of interest to CPAs. Our program will include a discussion of recent tax and legislative developments; estate planning opportunities created by changes in interest rates; a survey of available tax incentives in Louisiana; and a case study that discusses planning opportunities during troubled economic times.

The seminar will be held at the New Orleans Hilton Riverside in the Napoleon Ballroom (3<sup>rd</sup> Floor) on Thursday, September 17, 2009. Registration starts at 12:30 p.m.

The seminar is eligible for four (4) hours of CPE credit.

The seminar is \$60 per person. Any firm sending five or more registrants will receive a discount toward the fifth and subsequent registrants, who will be charged only \$50 each.

To register, complete the reservation form with the names of persons who will attend, and mail the form, together with your check to our office by September 11, 2009. Any requests for additional information should be directed to Marlena Cowart or Stacey Lala at (504) 569-2900. Program outlines will be distributed at the seminar. We invite you to attend our cocktail reception immediately following the program.
